OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, an inmate in the Houston County Jail, filed this lawsuit complaining that the defendant medical provider denied him access to adequate medical treatment and a physician for various health problems. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice for failure to comply with the orders of the court and prosecute this action. There are no objections to the recommendation. After an independent and de novo review of the record, the

court concludes that the magistrate judge's
recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 14th day of October, 2020.
